

## Hope, it's a Short & Sweet Preface!

Let's imagine that you are sitting in this plane.

**I welcome all of you to a tour of C programming world! We are in the position to take off.**

Please, buckle up your seat belts and get ready for take off! You are quite known with a fact that the speed of a plane gradually increases and attains higher speed of 1000km/hr or more. What will happen if the plane takes a take off with high speed like 1000 km/hr? It will simply crash. Similarly, if the complicated concepts are explained without building strong foundation of basic concepts, your confidence may crash. Care has been taken to illustrate fundamental concepts of C programming in a systematic and lucid manner. **Explanation of complicated concepts in easy words is the major strength of this book.** Pointer is the heart of this book. I am sure you will get acquainted easily with pointers after reading the pointer's chapter. Source code is available at <http://www.shroffpublishers.com/>

I would like to acknowledge to several people. However, I am mentioning few names here; otherwise, a long list of friends/well-wishers will occupy space of the whole book. I am grateful to my friends Prof.Chandrakant Kunjir (COEP), Suyog Raut , Ghanshyam Adsul, Shankar Sagare (USA), Sachin Daftary(USA), Dr.Traymbak Waje(USA), Santosh Ghongade, Sachin Kasbe, Dhananjay Barve, Dr. Sanjay Nimbalkar, Vikram Patil, Prof. Bendale, Prof.Sanju , Sanjay Phanshikar, Ajay Jadhav, Dr.D.B. Talange, Prabhakar Ghuge, Prof. Ashok Gaikwad, Siddharath Patil and many more. I also express deep gratitude towards Prof. Bandyopadhyay (IIT, Powai) and Dr. A.P.Tiwari (Scientist in BARC). It was a memorable experience to complete M.Tech. dissertation under their guidance. I have learned a lot from them. It made a lot of value addition in my writing skills when Prof.Nataraj(IIT, Powai)actually guided me to write good mini-project report. I am also thankful to Infoscions Niranjan Y.B., Nagabhushana Samaga,Vinu Chacko, Prashanth Kumar, Anuja Kishore, Kalpesh B. Solanki, Girish Chhatwani, Ambadas Adam, Lalit Govil and all my i-flex and current colleagues for their cooperation. Last but not least, I would like to cite my mother-in-law Mrs.Lata Maindale for her guidance, support & motivation. I am at this stage because of enormous motivation given by my native people of Pattankodoli.

My sincere thanks to Mr. Aziz Shroff of Shroff Publishers & Distributors Pvt. Ltd – Navi Mumbai for publishing this book quickly. I am very glad to mention the co-operation given by Sunil Shastri (Shroff Publishers & Distributors Pvt. Ltd.). I must mention about Mr.Sharnam Shah who promptly reviewed chapters and provided invaluable comments.
